Make your Key West trip even more memorable when your group participates in **The "Award Winning" Southernmost Scavenger Hunt**. Make no mistake, this is definitely not your usual scavenger hunt - there's no searching for obscure or mundane objects here. This adventure combines intriguing clues and riddles highlighting Key West's unique character that will allow your group to meet, mix, and mingle in a fun and lively atmosphere.

We are able to accommodate parties of any size to create a private and customized event by including special requests, favorite places, and even personalized clues for your guests. Our staff will be present to organize and begin each hunt and then again at the end to welcome back your troops. While your guests are sharing stories and comparing their escapades, we will tally up the scores and determine the winners. The award's presentation can be arranged to take place at any final location or following that evening's dinner. Souvenir team photos, personalized team T-shirts, or cameras can also be added to commemorate the highlights of your hunt.
